## FCI WORLD CHAMPIONSHIP 2021

## **BELGRADE - SERBIA**

## PIGEON ACTIVATION NOTICE

We would like you to inform on our behalf the fanciers whose pigeons participate in the national team at the FCI World Championship 2021 about the possibility of activating the pigeons for OLR races.

According to the Rules of the World Cup, all breeders who are members of national team can activate their pigeons for FCI Racing Pigeons Grandprix OLR Belgrade AS Pobednik until August 20, 2021. Activation is 70 euros per pigeon (plus bank charges). Registration is done by sending an email with the following information: team name, pigeons who want to be activated on email <a href="mailto:bgaspobednik@gmail.com">bgaspobednik@gmail.com</a> with subject: <a href="mailto:Activation of pigeons">Activation of pigeons</a>.

Using this opportunity it gives fanciers the following options: ranking on FCI Grandprix list, participatin in the prize money and 50% of the sale of pigeons at auction goes to the owner.

After August 20, 2021 inactivated pigeons can be activated by other parties. It is necessary to send an e-mail with a request to check the status of the pigeon (whether it

was previously activated or not). The deadline for submitting requests for activating an inactivated pigeon is September 1, 2021 and the deadline for payment is September 3, 2021.

Activated pigeons can participate in prize money.

Attached is a payment instruction that can be forwarded to those interested.

We wish good luck to all participates in the races!
